

I verified this on Snopes...it is a REAL VIRUS!!!! ANYTHING from
MSNBC BREAKING NEWS DO NOT OPEN!!!
Thank you for the ALERT!!!

This was just sent to me by a friend of mine in the computer repair business. I trust him.

I just got attacked by an e-mail in my in box reading 'MSNBC Breaking
[News:McCain](#) Gives Up Fighting For Presidency'

Earlier there was one from CNN Breaking news as well. These Emails show up
unannounced with the following disclaimer or something close to it.

This e-mail is never sent unsolicited. You have received this MSNBC Breaking News Newsletter
newsletter because you subscribed to it or, someone forwarded it to you.

To remove yourself from the list (or to add yourself to the list if this
message was forwarded to you) simply go to

<http://www.msnbc.msn.com/id/49167688>, select unsubscribe, enter the
email address receiving this message, and click the Go button.
