

VEBA Reimbursement Reminder

Kaiser Salaried Retirees & Surviving Spouses:

Once enrolled in the VEBA, usually there is no need to enroll again, however, you ***MUST*** submit a request for reimbursement ***EACH YEAR***. The deadline for submitting your request for the year 2006 is the end of 2007. If you miss out in sending in your request on time, you will likely lose your reimbursement for the year in question.

VEBA contact information is as follows:
