: QAL 40th anniversary

Hello Everyone!

Not too long to go now before the 40th anniversary and it is shaping up to be a great event. I know I am excited, so you all must be too!

Below I have attached a link to QAL's website which has a sneak preview of the history we have uncovered as part of the celebrations. You may enjoy taking a look and having a preview of some of the things that we have been doing. For those of you that cannot be with us and would like to receive a hard copy of the book we are publishing When QAL Came to Town: Living Through the Construction Years in Gladstone 1964 -1967, please send me your postal details and I will send you a copy, otherwise they will be available throughout the weekend.

The link to our site is here: [http://www.qal.com.au/Media\\_Publications.asp](http://www.qal.com.au/Media_Publications.asp)

I look forward to meeting you all soon!

Mellissa
